Statement on the death of student, Jayden Fondeur

Jersey City, NJ – Earlier this week, the Jersey City Public Schools community was devastated by the news that one of our students, Jayden Fondeur, was shot and killed outside a store in Jersey City. Jayden was a well-liked Sophomore at Ferris High School whose tragic and senseless death has shaken his school and our entire community.

Our thoughts are with Jayden’s family, friends and all of Ferris High School at this sad time. Grief counselors will continue to provide additional emotional support at the school. “We will do all we can to help our community heal from this tragedy and will support the students and staff at Ferris as they cope with their loss,” said Superintendent Dr. Marcia Lyles.
